1. Policy

a. The following three categories are of those individuals whose deaths may be marked by displaying the U.S. flag at half- staff:

(1) National--Upon the deaths of any officials listed in the Presidential Proclamation 3044 and 36 U.S.C. 175(m), NASA Headquarters and all Centers will display the U.S. flag at half- staff for the prescribed period of time.

(2) NASA--Following the deaths of certain current or former NASA officials, and other U.S. or foreign officials as specifically requested by the President, NASA Headquarters and all Centers shall fly the U.S. flag at half-staff for a designated period of time.

(3) Local--Center Directors are delegated authority to display the U.S. flag at half-staff at Headquarters and at each Center as a mark of respect upon the deaths of prominent State and local officials in keeping with the directions of the state Governor and the protocols of their State. They may also honor agreements with local military base (with whom they share space) commanders, as appropriate, to show mutual respect.

b. Whenever the U.S. flag is displayed at half-staff from a single pole, no other flags should be flown on the pole. When multiple flagpoles are used, a NASA facility may either fly only the U.S. flag at half-staff and not fly any flags on the remaining poles; or, fly the other flags at half-staff, lower than the U.S. flag. If this method is chosen, the following procedure must be followed. Raise the U.S. flag to full-staff; raise the other flags to full-staff, then to half-staff; then lower the U.S. flag to half-staff. When taking the flags down, raise the U.S. flag to full-staff; raise the other flags to full- staff and then down; finally, lower the U.S. flag. At no time will any other flag be flown higher than the U.S. flag.

2. Applicability

This NPD applies to NASA Headquarters and all NASA Centers.

3. Authority

a. Presidential Proclamation 3044, as amended (attachment A).

b. 36 U.S.C. 175(m) (attachment B).

4. Responsibilities

a. The Assistant Administrator for Security and Program Protection is responsible for the overall management of this policy and for notifying all NASA Centers of the requirement to display the U.S. flag at half-staff and the duration of the honor following the deaths of any officials defined in paragraph 1a(2).

b. Center Directors will designate a Flag Protocol Officer (FPO) who will be the single point of contact for issues and decisions concerning the display of flags at half-staff. The FPO's are responsible for flying the U.S. flag at half-staff upon the deaths of any officials defined in paragraphs 1a(1) and 1a(3). For these, no notification will be provided by NASA Headquarters and no authorization by NASA Headquarters is required. FPO's will notify the Assistant Administrator for Security and Program Protection of the name and title of the individual in honor of which a local decision has been made to bestow this mark of respect.
